

Guidelines for preparation of Camera Ready Paper for CTFC 2021

1. The authors are requested to login <https://cmt3.research.microsoft.com/CTFC2021> to view the comments of reviewer (if any), to incorporate and make necessary changes as per the comments of the reviewers in the Final Camera Ready Paper. If there are no comments means that your paper is accepted by reviewers without any revisions.
2. Make sure that the Paper is exactly as per IEEE format . This will avoid any complications during pdf creation using pdf eXpress.
3. Authors are requested to strictly follow the IEEE Template given on the conference website <https://www.ieee.org/conferences/publishing/templates.html> for preparing Final Camera Ready Paper which must be within Six Pages. The camera ready papers that do not meet these requirements will not be submitted for further consideration to IEEE Xplore. Conference organizers reserve the right to reject any paper which is not as per the given format.
4. Please note that it is mandatory to create the pdf using pdf eXpress and submit the pdf **through Microsoft CMT**.
